: ! :		
:	i	<u> </u>
Once new habits are forme	ed, they become close to effo	ortless.
How could you change habits easier?	your environment to ma	ke implementing these
	your environment to ma	ke implementing these
	your environment to ma	ke implementing these
	your environment to ma	ke implementing these
	your environment to ma	ke implementing these
	your environment to ma	ke implementing these

By removing friction to do something, you are more likely to do it.

Congratulations!

Reflecting and planning are very important steps people tend to skip.
